

# ASPHALT DAYS Vol. 2

April 14-15 2026, Mühldorf am Inn, Germany

Start April 14 – 8:00

verbindet. nachhaltig.

## Deutscher Asphaltverband (DAV)

Occupational exposure limit in Germany - What happened in one year?

–Andreas Stahl, M.Sc., Consultant for asphalt construction and technology, [www.asphalt.de](http://www.asphalt.de)

## AD SREMPUT RUMA

Reconstruction of Airport Nikola Tesla – Belgrade Serbia

270,000 tons of asphalt-special features in ongoing flight operation

–Marko Karovic, Master civil engineer, [www.sremput.co.rs](http://www.sremput.co.rs)

## TECNO ENGINEERING 2C

Structural design and requirements of airport runways and taxiways

Which forces act upon the asphalt during take-off and landing of aircrafts?

–Carlo Criscuolo, CEO, [www.te2c.com](http://www.te2c.com)

## Fliegl Bau- und Kommunaltechnik

How to reduce road lifecycle costs and implement sustainable development goals

Process reliability in asphalt construction through innovative transport technologies

–Josef Fliegl jr., Research & development, [fliegl-baukom.de](http://fliegl-baukom.de)

## Technische Universität Braunschweig

Bio-Asphalt: Current research and development

–Stefan Trifunovic, M.Sc., research associate at Braunschweig Pavement Engineering

Centre, [www.tu-braunschweig.de/en/isbs](http://www.tu-braunschweig.de/en/isbs)

## University of Twente

Road construction and the sustainability targets – How we can meet them

–Prof. Seirgei Miller, Faculty of Engineering; Technology & Construction Management;

Research Leader Aspari, The Netherlands, [www.utwente.nl](http://www.utwente.nl), [www.aspari.nl](http://www.aspari.nl)

## Applus

Pavement instrumentation to monitor performance for early intervention

–Alan Roland, Applus Saudi Arabia

## Newton Trailers

Health and safety in road construction and regulations in Great Britain

–Andrew Smith, CEO, [www.newtontrailers.com](http://www.newtontrailers.com)

## ARUP

Performance of Warm Mix Asphalt (WMA) mixtures

Incorporating WMA mixtures into the design of bituminous pavements

–Dr. Venon Jalali, ARUP Technical Lead of Pavements, Great Britain, [www.arup.com](http://www.arup.com)

End April 14 – 17:00

19:30 DINNER AT A BAVARIAN EVENTLOCATION

Mehr Infos & Tickets

More info & tickets

Plus d'infos & billets

Start April 15 – 8:30

## JRS – Fibers for Life

The future of the asphalt industry: Global trends and challenges

Sustainable applications and Functional Additives for today and tomorrow

–Bernd Abele, Product Manager, J. Rettenmaier & Söhne GmbH, [www.jrs.de](http://www.jrs.de)

## AD SREMPUT RUMA

Execution of various civil projects in Serbia

–Marko Karovic, Master civil engineer, [www.sremput.co.rs](http://www.sremput.co.rs)

## Technische Universität Dresden

Evaluation of aging effects in polymer-modified bitumen using rheological, chemical, and morphological analyses

A unified framework for evaluating aging-induced changes in PMBs, with applicability to RAP binder, using dynamic shear rheometry, FTIR, and fluorescence microscopy

–Athira Mangalath Shine, M.Tech., Research Associate

## Infratest Prüftechnik

Quality control in infrastructure projects / Digitalization in asphalt road construction.

Special features, possibilities, limitations

Asphalt laboratory stay of the art

–Dipl.-Ing. Ersun Görener, Head of Sales Department, [infratest.net](http://infratest.net)

## Applus

Perpetual pavement (Deep Lift Asphalt) durability & value for money

–Alan Roland, Applus Saudi Arabia

## WERWIE

Road construction machinery equipment: Road paver equipped with ThermoScan

–Thorsten Huber, Director Rental Services, [www.werwie.com](http://www.werwie.com)

## Fliegl history and product range presentation

Company history, Baukom product range, Duplex Mixers, BTS concrete stations, Push-off technology, Shoulder Paver, Stone Master, BlackBull,...

–Josef Fliegl jr., Research & development, [fliegl-baukom.de](http://fliegl-baukom.de)

## FACTORY TOUR – LIVE DEMONSTRATION

Real life demonstration of modern asphalt pavement technologies

ThermoScan, Push-off technology, attachment „Wiesel“, shoulder paver, ...

End April 15 – 17:00

19:30 DINNER AT A BAVARIAN HOTEL AND RESTAURANT PLANKL

April 16 – 7:45 - circa 18:30

## CULTURAL PROGRAM

Day trip including sightseeing, a boat cruise, culinary highlights at Chiemsee (Lake Chiem) and Herrenchiemsee Palace

Limited number of participants

Information subject to change. Times may vary.
